McKenna Video Services/MVS Weddings Earns 2008 “Best of Western Washington” Wedding Videographer Nomination

(Puyallup, WA) McKenna Video Services announced today that they received a 2008 “Best of Western Washington Wedding Videographer” nomination from King5 Television’s Evening Magazine Program and earned a place in the top 5 of Western Washington Wedding Videographers.

“It is an honor to be nominated,” says owner Chris McKenna, “especially since we are not one of the big Seattle production houses and we have only been producing wedding videos for about 3 years.” This nomination follows a 2007 award McKenna earned from the Association of Video Professionals and two 2006 Hanley Awards.

“Producing a wedding video and helping a couple preserve the memory of their most romantic day is very rewarding for us and one of the reasons that we got into this business,” continues McKenna. “And for MVS to be among the top 5 in all of Western Washington is truly humbling.”

For more information on McKenna Video Services, visit their websites at www.mckennavideo.com or www.mvsweddings.com or call 253-539-3438.
